Making a world of difference since 1984

The Washington State Combined Fund Drive has set the standard of giving amongst similar workplace giving programs. With the help of our incredible volunteers, and the generous gifts from every participant, the CFD raises *millions of dollars per year* for local, national and international communities.

The Combined Fund Drive offers the security and convenience you expect when making a donation to your favorite charity. You can choose a monthly payroll deduction, write a check, go online, make a one time pledge or fill out a paper form. [Read More](#)
